Message from the Director

Welcome and thank you so much for being a part of the Boerne High School Theatre Department! We, as a community, have so much to look forward to this year and I cannot wait to share it all with you!

It is important to recognize that this year will be an adventure for so many reasons, but I can assure you that we are up to the challenge! As your director, I am thrilled to get to know each and every one of you to begin this journey together.

My goal as an educator is to open the eyes of my students and our community to the importance of the arts in each of our lives. The Boerne High School Theatre Department offers many different opportunities for students to discover and showcase their individual talents and find success, both on and off the stage.

This handbook offers a glimpse into the requirements, expectations and commitment level that is vital to the success of this program.

I look forward to meeting and working with all of you this year! We are stronger together and I could not do it without you!

Purpose

The purpose of the Boerne High School Theatre Handbook is to provide parents and students with a resource to which they may refer regarding theatre procedures and policies. This handbook provides students with guidance and information to help them have a positive experience in the BHS theatre program.

Mission Statement

Boerne High School Theatre's mission is to inspire students and our community to discover, explore, think, create and connect through professional level design and performance in the classroom and on the stage.

We bring stories to life in a way that encourages others to discover who they are and who they may become, to explore stories from different perspectives, to think and create beyond expectations, and connect to other people and ideas.

Our Vision

Boerne High School Theatre aspires to transform students into creative, curious, and compassionate adults.

We Believe That

- Theatre has the power to illuminate, transform, and heal.
- Experiencing theatre is essential for children to thrive.
- We have a responsibility to nurture, honor, and respect the imagination of our audience.
- Theatre can create community by bringing together a diverse audience encompassing all ages and backgrounds.
- How we work with one another matters.
- Creating a working environment that encourages collaboration and creativity enables all to be fully self-expressive.
- It is important to honor tradition, but welcome change.
- The arts can prepare and equip students to competitively pursue higher education opportunities in theatre at the next level.

Classes

Boerne High School currently offers the following classes within the theatre department:

- Theatre Arts I-IV
- JV and Varsity Theatre Production I-IV
- Technical Theatre I-IV

Students are not limited to simply being in one theatre class. For example, if their schedule allows, a student may elect to be a member of both a Production class as well as a Technical Theatre class. This is not uncommon, but is also not a requirement. The counselors should be

able to verify if such an arrangement is possible and/or beneficial to meet individual students' needs.

Performance Season

As a performing art, BHS Theatre strives to provide an abundance of performance opportunities. The department maintains an extracurricular theatre "season" that includes a minimum of THREE Main Stage productions. BHS Theatre also strives to complete FOUR Black Box productions which are considered curriculum-driven and are part of a student's grade in-class. Please note the distinctions: Main Stage Productions are open to the entire student body to participate, and are usually our most intricate, highly involved productions. They include our Fall Show, All-School Musical, and our extremely competitive UIL One-Act Play. Typically, students from the Production Class are involved in these shows, but auditions are open to the entire student body. Black Box Productions are produced on a smaller scale and are mainly geared toward in-class work and rehearsal. These productions are part of the student's IN-CLASS curriculum and include such productions as Fall/Spring In-Class One-Act Plays.

International Thespian Society

Boerne High School is home to International Thespian Troupe #3724. Students earn the honor of induction into this theatre honorary organization based on points accumulated during participation in theatre activities. ITS serves as the only internationally recognized theatrical honor society for high school students, and offers students several opportunities, scholarships and grants to help students make the transition to college performing arts programs.

Letter Jackets

Students in BHS Theatre can earn a BHS Varsity Letterman Jacket in one of the following ways:

- If a student is a member of the UIL One-Act Play cast or crew and that show advances past District.
- If a student is a member of the BHS Thespian Society and earns a total of 30 points.
- If a student is selected to complete at the State Design contest.

Behavior Guidelines

Students are expected to follow all BHS and BISD rules outlined in the Student Handbook! Those students choosing to participate in extracurricular activities must also abide by the BISD Extracurricular Code of Conduct in Appendix A.

BHS Theatre rules are based on one simple premise:

RESPECT! Respect your peers – their time, property, work, and space

Respect yourSELF – your own body, mind, voice, craft, and education

Respect your director – his/her time, space, property, and authority

- Be on time to class and rehearsal.
- Have all supplies.
- No food or gum on stage. Water is encouraged in your own, personally marked water bottle with a sealed lid.
- Dress appropriately for class and according to the district dress code. Students will not be excused from activities for making the choice not to dress appropriately. Students will receive a "0" for the day, if unable to participate due to inappropriate dress. Students may change into appropriate clothing for stage movement before the bell rings. Production class members are encouraged to purchase and wear rehearsal "blacks."
- Audience etiquette is a major portion of your grade. During performances, stay in your seat throughout the entire performance. Give your full attention to the performers. Show respect for your classmates and encourage them to succeed by performing your job as an audience member.
- Vulgar, tasteless comments and/or obscenities are discouraged in scenes, monologues, and/or improvisations. When in doubt, check with your director
- No headphones, earbuds, cell phones, or any other type of electronics may be used during class, or in rehearsal unless we are using them for a project or we are reading alone.

Digital Citizenship

Maintaining a higher standard of conduct will also include ensuring that theatre members' digital footprint and/or social media presence is appropriate and positively represents BHS Theatre, BHS and BISD as a whole. The internet is a worldwide, publicly accessible form of communication. Any social media platform such as Instagram, Twitter, Facebook, Snapchat, etc, has the potential for entering the public domain and becoming accessible to anyone at any time, even if something is seemingly marked private. Members are responsible for their personal social media, postings, as well as posting from or on other students' social media. Unacceptable use of social media includes (but is not limited to) profane, foul, or disrespectful language (including abbreviated or foul slang), pictures, suggestive poses, inappropriate clothing (or lack thereof), references to alcohol, drugs, and/or tobacco, photos suggesting the use of alcohol, drugs, and/or tobacco. Students should also refrain from any postings (text or pics) that could be interpreted as negative or threatening towards BISD

teaching staff, administration, fellow thespians, other theatre departments. Any such incident will result in review by the director and administration and will lead to immediate disciplinary action.

Due Process

All BISD students are expected to follow all school rules and BISD behavior guidelines outlined in the student handbook. Any student suspected to be in violation of those rules are entitled to due process in accordance with BISD guidelines. However, since BHS Theatre is such a publicly visible program, students who receive disciplinary action from administration (including but not limited to: ISS, AC, At-Home Suspension) will be removed from any extracurricular BHS Theatre activities in which they are currently participating. Please contact the director if you have any concerns.

Class and Extracurricular Activity Fees

There is a class supply fee that is used to buy consumable supplies specific for each class. The supplies for each class depend on the projects for a specific class section. Some of the items include: makeup, props for shows, art supplies for design projects, play scripts, tissues, markers, scissors, tools, costumes, costume cleaning, wigs, paper towels, glue sticks, baby wipes, makeup sponges, fabric and royalties for performances of class plays, etc. Donations of these items are also always appreciated.

If a student is enrolled in more than one theatre class, they are only responsible for the higher rate supply fee. 2021-2022 supply fees are as follows:

Classroom Supply Fees – These fees apply to all students enrolled in any Theatre Class, and are used to purchase consumables such as paints, makeup supplies, craft materials etc. used for in-class projects, assignments and performances.

- Technical Theatre Class = \$40
- Theatre I-IV = \$20
- Theatre Production Class* \$40 -

Cast Fees – These fees help cover the cost of a Show T-shirt, costume accessories, hand props, licensing, royalties and construction materials. Cast fees only apply to those students who are cast and have accepted roles in Main Stage productions.

- Musical Cast = \$50; Musical Crew = \$50

Costume Fees - These fees cover the cost of costume rental, construction, alterations, and cleaning for each Main Stage production, and only apply to those cast in Main Stage productions.

- Rental Costume Cost = \$125
- Other = \$50

All fees are due no later than 2 weeks after the casting of a show.

ALL checks should be made out to **Boerne High School** and will be deposited into the BHS Theatre Student Activity Account.

Please include a driver's license and a phone number on all checks.

Dress Code Policy (Extracurricular)

Participation in extracurricular activities is completely voluntary on the part of all students. To participate in extracurricular activities in Boerne ISD, there are certain standards which must be maintained.

1. Uniformity: Students frequently travel to other schools, towns, communities, restaurants, etc. as representatives of Boerne ISD. Therefore, they should be dressed and groomed in a manner which best represents their school and team. We expect our students to set the standard for our schools in the area of grooming and personal appearance.
2. Dress: The student should be neatly dressed and comply with all other school rules.
3. Hair: In accordance with school policy, hair shall be clean, well groomed, of natural color, and out of the eyes. Hair shall be styled in a way that is not distracting and/or designed to be conspicuous. The student's facial hair and hair should be neatly trimmed to meet his/her coach's, teacher's or sponsor's satisfaction.
4. Body Art/Piercing: In accordance with the Boerne ISD dress code policy, tattoos must remain covered at all times. Jewelry of any kind is not allowed for safety reasons during athletic practices, games and competition.

Financial Policy Statement

It is the philosophy of the BHS Theatre Department that no student should be denied the privilege of participation due to financial hardship. For options in meeting financial obligations, parents should contact the director.

Fundraising

All fundraisers are optional, but students are encouraged to participate. The money raised is used to improve the theatre department and for student activities. In the case of ad sales, monies raised there are used to cover costs the show for which the ads are sold; primarily costuming, set construction, and royalties/licensing fees.

Fundraising Guidelines

- All money raised belongs to BHS Theatre and cannot be refunded for any reason.
- Students are responsible for retrieving ad artwork and monies.
- Problems with a fundraiser must be reported to the theatre director within 24 hours.
- Students are responsible for delivering products to the ordering customer.

- All fundraising money must be collected when the order is taken, or product is given. Fundraising money must be turned in by the predetermined due date.
- If a student takes a product to sell and something happens to the product (lost, stolen, damaged, etc.) the student IS financially responsible for the value of the product. (i.e. tickets taken to sell to family/friends)
- Students are responsible for money that they carry and should turn in cash as soon as possible. DO NOT carry fundraising cash around campus!

Insufficient Funds - BHS Theatre is not allowed to accept checks from any individual who has had one check payable to BISD that was returned for insufficient funds. Cash or money orders can be accepted in this instance.

Extracurricular Participation Guidelines

All theatre students are required to attend at least one performance of each of the Main Stage productions throughout the school year, and to submit a written critique of the show. Attendance is recorded as a grade, and critiques are due in class within one week of the final performance of a production. Actual due dates will be announced in class and posted online.

Theatre I-IV Classes

Students in Theatre I-III classes will perform in showcase scene work and/or one-act play productions each semester. Rehearsals and preparation for these one-night performances take place primarily during class. However, these students must attend one after school technical rehearsal the evening prior to performance. They must also, of course, be present to perform on the night of the scheduled performance. These students must also complete ushering/house management duties for at least one night of each of the main stage department productions. These performances and duties are not considered extracurricular activities, rather a regular extension of classroom instruction, and are graded as such.

Technical Theatre I-IV Classes

These students must also complete ushering/house management duties for at least one night of each of the main stage department productions. These performances and duties are not considered extracurricular activities, rather a regular extension of classroom instruction, and are graded as such.

Production I-IV Classes

Participation in extracurricular activities is required of students in Production Classes. Students audition to earn a spot in these classes. Therefore, it is assumed they are committed to participating in extracurricular theatre. All production students must, at minimum, audition for all extracurricular theatre productions. However, it is stressed that participation in extracurricular theatre is a privilege, not a right. The theatre student is

accountable and responsible for all policies contained within this handbook and for any additional ones that the director might add.

Auditions

Auditions for involvement in extracurricular activities are announced at least two weeks before the beginning of the production schedule.

Audition Opportunities Include

- Fall/Spring MainStage Shows

Based on past years contests - I believe our contest will be held on March 12-13, 2021. Please make any travel plans accordingly.

Rehearsals

Rehearsal Limits UIL Guidelines limits the amount of time spent in after-hours rehearsals for students during the academic school week. The academic week begins at 12:01 am, Monday morning and runs through 4:00 pm, Friday afternoon. There are no limits of rehearsal times on weekends.

Rehearsal Rules

1. **ATTEND ALL REHEARSALS** for the **ENTIRE** time unless stated on the conflict sheet at the time of auditions
2. **BE ON TIME** and ready to work at every rehearsal
3. Stay in the designated area for rehearsals and watch or work quietly
4. **NO ONE** is allowed in a BHS Theatre rehearsal other than the cast, crew, and directors. Exceptions can be made by the director, but must be requested with **AT LEAST 24 hours notice.**
5. Have a script, pencil, and journal at all rehearsals
6. **BE MEMORIZED** on due dates

7. **WEAR** appropriate rehearsal attire (i.e. DANCE CLOTHES WHEN NECESSARY, REHEARSAL SKIRTS AND/OR SHOES, etc.)
8. **UNEXCUSED ABSENCES ARE GROUNDS FOR DISMISSAL** – an unexcused absence is any absence in which the director has not been given at least 24 hours prior notice.
9. **DO NOT LEAVE** the rehearsal at any time without permission or they may be removed from the cast or crew
10. **One-Act Play Rehearsals WILL BE REQUIRED DURING SPRING BREAK. Please make travel plans accordingly.**

Schedule Conflicts

When a student is involved in more than one school activity that occurs outside of regular school hours, conflicts may occur. Students must check event calendars for all their scheduled BHS activities for conflicts as soon as dates are available. The student must notify all affected parties (Theatre director, parents, coaches, employers, sponsors) when there is a conflict so that there is time to determine how to handle the conflict. ***The student MUST give the director at least 24 hours notice in order for it to be considered an excused absence (with the exception of emergencies/sudden illnesses.)***

While each situation is unique, the determination as to which activity a student should attend when there is a school activity schedule conflict can most times be based on the following general rules:

- Rehearsals take priority over group/team meetings.
- Performances take priority over rehearsals and meetings.
- Contests/Competitions take priority over all the above.

Performance Expectations

- Cast and Crew are required to report on time for dress rehearsals and performances
- Students are NEVER to leave the backstage areas of the theater or the campus in makeup and/or costume.
- Students must not invite persons outside the cast and crew to any backstage areas, in dressing rooms or the Black Box.
- Stage etiquette should always be followed including courtesy and consideration for cast, crew, and directors

Students are expected to stay and help clean up after a performance, and strike on closing night of the production. This is part of the theatrical process. PARENTS, PLEASE DO NOT PLAN TO TAKE STUDENTS HOME IMMEDIATELY AFTER A PERFORMANCE!

Eligibility

Students participating in extracurricular activities are governed by UIL and TEA eligibility requirements. A student shall be suspended from participation in all extra-curricular activities

sponsored or sanctioned by the school district during the grading period following a grade reporting period in which the student received a grade lower than 70 in any class. Loss of eligibility does not take effect until seven days after the end of the reporting period. Ineligible students are not suspended from practice or rehearsal of extra-curricular activities. The student is not suspended from participation during the period in which school is recessed for the summer or any other vacation time.

Students may regain eligibility under certain circumstances. If a student has been suspended as a result of a failing grade, he/she may regain eligibility by passing ALL courses in the third week of the affected grading period. Reinstatement of eligibility would occur seven days after the three-week progress report period (see TEA/UIL Side by Side).

The eligibility law does not affect activities that are considered curricular components of any course. Examples of these activities are all rehearsals and performances that take place as a regular extension of classroom instruction. Any performance that is competitive in nature, or for which admission is charged, is deemed extra-curricular.

Field Trips

Guidelines for BHS Theatre Trips

In addition to those policies set forth by BISD and BHS, theatre members will also adhere to the following policies:

- Everyone travels with the group and returns with the group. Special permission to travel in some other manner may be granted if a parent gives the director a request for another arrangement at least 24 hours prior to the trip in written form with a signature and a date.
- Students will not be released to anyone unless a permission note, signed by the parent, has been turned in and the student has checked out with the director or designated chaperone.
- Students may not ride with other students or other students' parents unless they bring written permission in advance from their parent/guardian.
- Only portable radios, mp3, or CD players with earphones are allowed on the bus.
- The BHS Theatre Department assumes no responsibility for personal items lost or damaged on theatre trips.
- Follow the instructions of the theatre director, staff, bus drivers, and parent chaperones at all times. They are your legal guardians in the absence of your parents.
- For the safety and security of all of our students, the director and chaperones reserve the right to check all luggage prior to departing on any theatre trip.
- Drug, alcohol and tobacco policy: The use of these items will not be tolerated during any theatre activity at BHS or away from school. School and local authorities will deal with any student found with these items with the same penalties as if the offense occurred during the school day. In addition, the students will be sent home immediately at the parent's expense. Students in violation of the policy will face the

penalties set forth by the school, up to and including removal from the Boerne High School Theatre Department and all auxiliary theatre activities.

- Students are expected to conduct themselves in a manner that reflects positively on Boerne High School and BISD. Students must follow all Theatre and BISD rules as well as legal, ethical, and moral requests from the director or chaperones while on the trip.
- Students must dress appropriately for the location of the trip as designated in advance by the Theatre Director. Any student dressed inappropriately will not be allowed to attend the trip and funds will not be reimbursed. In addition, students must follow the BHS and BISD Extracurricular Activity dress code at all times.

Attendance Policy for Trips

All theatre trips are optional unless otherwise specified. Contests & Clinics are NOT considered field trips. Only BHS Theatre members and parent chaperones may participate in BHS Theatre trips. Some exceptions may be made through special arrangement with the director for siblings who are also BISD students. The following criteria may disqualify theatre students from attending any theatre trip:

- Any unexcused theatre performance absences during the school year.
- Any unexcused theatre rehearsal absences during the school year.
- Any ISS assignments at any time during the semester in which the trip occurs.
- Any office referrals from the theatre director or any BHS Teacher/Administrator.

Trip Pick Up

Parents must be prompt when picking up their children from theatre trips. Students are encouraged to bring cell phones on theatre trips to call parents regarding our arrival time on our way home. District policy does not allow the director to leave students unattended on the BHS campus after school hours. Parents, please be prompt to pick up your students.

After Hours Drop-Off and Pick-Up

The staff parking lot between the field house and back of the stadium should be used as the drop off and pick-up location for theatre activities that occur outside of the regular school day unless otherwise noted.

BHS Theatre Parent Organization

The parent organization provides support for the theatre program through volunteer support and fund-raising. All theatre parents are eligible to be members if they have a child in theatre at Boerne High School. All parents are invited to attend parent meetings, although participation is voluntary.

Parent Volunteers

Anyone interested in volunteering with BHS Theatre in a capacity where they will be around students will be required to complete the background check forms and return them to the director at least three weeks prior to direct involvement with students.

Forms

All Theatre students and parents must sign the Handbook acknowledgement form verifying that these policies have been read and understood. This form is located on the last page of this Handbook, as well as on the BHS Theatre website. It is to be printed, signed and then returned to the director.

All Production Class students and parents must also sign a travel permission form for the current school year. This form is also located on the website and can be printed, signed and returned.

All Theatre Students and parents are also asked to sign a photo release form allowing us to place photos of students on the website, in programs and/or production advertising/marketing posters, flyers, etc.

APPENDIX A: EXTRACURRICULAR ACTIVITIES CODE OF CONDUCT

Extracurricular Programs in the Boerne Independent School District are intended to be a strong and integral part of the overall education process. These programs supplement and enrich the required academic workload by providing invaluable experiences in teamwork, sportsmanship, sacrifice, and discipline. Participation is strongly encouraged in order that students may realize a well-rounded high school experience.

Extracurricular Programs are one of the most recognizable groups in a school. This makes it extremely important that they understand their position as a role model for complete honesty, strong character, unquestionable integrity, and good judgment. Extracurricular Programs are not a RIGHT guaranteed for all. They are a PRIVILEGE and therefore must be monitored as such.

Participants in the Extracurricular Programs will not be allowed to act in any manner that brings embarrassment to their team, their program, their school, or their community. If and when such behavior occurs, the student's sponsor is authorized to require disciplinary consequences. Serious or repeated violations can result in suspension or in removal from the team or program.

The intention of this policy is to encourage participants to demonstrate responsibility for their actions and judgment. Participation in extracurricular activities shall be a privilege, not a right. Students who participate in extracurricular activities are considered, at all times, to be representatives of the district. Therefore, such students who consume, use, possess or disseminate alcohol or other illegal drugs in any form including tobacco, electronic cigarettes or other vaping devices and/or paraphernalia at any time or place, shall be suspended from participation in all extracurricular activities.

Offenses shall be handled in the following manner:

1. First Offense: The student shall be suspended from competition in extracurricular activities for 21 calendar days if the offense occurs during the season for that activity. The student shall not be permitted to participate in practices or other activities associated with the extracurricular activity. If the offense occurs out of season, 21 hours of community service must be performed within 30 days in order to establish eligibility for the next season. No in-season participation shall begin until all community service hours have been completed. Furthermore, if the 21-hour community service requirement is not satisfactorily fulfilled the student shall be suspended from competition for 21 calendar days when the season begins. The authenticity of community service shall be verified by the principal.

2. Second Offense: The student shall be suspended from participating in extracurricular activities for 90 calendar days from the date the penalty is imposed. In addition, the student must perform 60 hours of community service during that 90 day period.
3. Third Offense: The student shall be excluded from participation in all extracurricular activities for one calendar year with subsequent reinstatement subject to approval by the principal.

A violation may be based on, but is not limited to, the following criteria:

1. A law enforcement officer has observed and reported the behavior.
2. A district employee has observed the behavior and reported it to the principal or designee who investigates it further.
3. The student is accused and admits to such behavior before a district employee.
4. A law enforcement officer has given the student a citation for such behavior.

Any student who participates in extracurricular activities or is an officer in any school organization, who is arrested and accused of a criminal act, delinquent conduct or act of moral turpitude, shall be suspended from participating in extracurricular activities and/or fulfilling the duties of the office until the matter is resolved. Upon any determination that the student is falsely accused or charged, the suspension shall be removed. Any student found to be guilty of criminal activity, delinquent conduct or act of moral turpitude shall be suspended from participating in extracurricular activities and/or removed from office for one calendar year if the misbehavior triggers a mandatory AEP placement according to the Student Code of Conduct. If the misbehavior calls for discretionary AEP placement, disciplinary consequences shall be the same as those described for the second offense.

It is the intent of this policy that all penalties, sanctions, suspensions, and removals shall be imposed only upon notice and after due process has been afforded the student.

Nothing in this policy shall exclude or limit a coach, director or sponsor from documenting and addressing breaches of sportsmanship and team rules by imposing disciplinary consequences that are determined within each program. Repeated such violations may lead to dismissal from the program.

Extracurricular activities include, but are not limited to, all school athletic teams; all school-sponsored University Interscholastic League academic, literary and music competitions; and any other school-sponsored program which involves practice and activity outside of regular school hours.
